Short Description

RR102 Compact Fridge 98 Litre

Description

The RR102 Fridge with ice-box has been our long standing top selling unit.

It offers a considerate 98 litre internal capacity. It includes 2 glass shelves and a salad crisper container, which is perfect for keeping your greens crisp and fresh.

You'll find additional space in the door, where there are 3 shelves adequately spaced for large bottles and cartons, and there's even a handy -12°C Freezer box compartment for storing frozen goods.

Additional features include an LED interior light, fully illuminating the inside of your new Shoreline fridge, a reversible door for easier accessibility, should you wish to open the door to the left rather than the right. Extremely low energy consumption thanks to the latest high efficiency Danfoss BD35K motor compressor. Zero global warming potential from the environmentally friendly refrigerant.
