Short Description

RR4514 - Wide Fridge 114 Litre

Description

If you need a little more storage space or simply have room for a slightly wider fridge then the RR4514 wide fridge is the answer.

This wide fridge offers more storage space than our narrow fridges with a very generous 114 gross litre capacity including 13 Litre 4* Freezer-Box

All white in design means this fridge continues to look fresh and stylish wherever its designed to operate.

2 glass shelves sit nicely beneath the freezer box, extra deep salad crispers and 3 door shelves available means you will have no storage space issues.

Additional features include a bright LED interior light, fully illuminating the inside of your new Shoreline fridge, a reversible door for easier accessibility, should you wish to open the door to the left rather than the right. Extremely low energy consumption thanks to the latest high efficiency Danfoss BD35K motor compressor. Zero global warming potential from the environmentally friendly refrigerant.

- **4-star freezer – operates at a minimum temperature of -18 degrees Celsius**
- **-18 degrees Celsius will keep food safe for three months or longer.**

Four rating stars means that the compartment provides the ideal conditions for freezing down fresh and pre-cooked foods. Most frozen food in supermarkets is clearly marked to show how long it can be kept.
