

R60 - Small Fridge

Brand: Shoreline

Product Code: R60

Dimensions: 447.00mm x 470.00mm x 619.00mm

Price: £779.00

Short Description

R60 Small Fridge - 60 Litre

Description

This stunning all black stylish small fridge offers 60 litre gross capacity

The compact and shallow depth makes it ideal for small galleys, motorhomes and sailboats. Supplying enough capacity for basic provisions for weekend usage.

Despite it's small appearance this little fridge still offers 2 shelves (1 glass) with 2 inside door shelves including a 10.2 litre ice box as standard.

This is fast becoming one of our most popular 'small' fridges.

Additional features include interchangeable door front to suit your own galley decor, an LED interior light, fully illuminating the inside of your new Shoreline fridge, a reversible door for easier accessibility, should you wish to open the door to the left rather than the right. Extremely low energy consumption thanks to the Danfoss BD35F motor compressor.
