Short Description

RU102 - 71 Litre Freezer

Description

Our most popular selling Upright freezer

Under worktop upright freezer with 72 litre capacity.

This all white upright freezer offers 3 generous storage trays allowing plenty of room to store your frozen foods.

The extra thickness installation not only allows your contents to stay frozen for longer but also minimises the power consumption

All white design means this looks great when paired next to our matching Larder Fridge RL102

Additional features include an LED interior light, fully illuminating the inside of your new Shoreline fridge, a reversible door for easier accessibility, should you wish to open the door to the left rather than the right. Extremely low energy consumption thanks to the latest high efficiency Danfoss BD35K motor compressor. Zero global warming potential from the environmentally friendly refrigerant.
